

About Us

Conequip Phil Inc. is a company engaged in the distribution and technical support services of an extensive line of quality , relevant, innovative and affordable heavy equipment, trucks, mini-buses, agricultural machineries, solid waste management equipment and materials handling equipment.

Vision

By 2030, CONEQUIP will be the leading provider of state-of-the-art machineries, accessories and automotive storage solutions to modernize the land and water-based construction, transportation and waste management systems in the Philippines.

Mission

CONEQUIP helps in improving the nation's infrastructure by providing innovative machineries, accessories and automobile solutions to the government and private sectors. Instilling a work environment and organizational culture that fosters teamwork and growth opportunities for its employees.
